

Job Opportunity: Production Operations Leader

Salary: £40,000.00-£50,000.00 per year

Work Location: Churn Lane, Tonbridge TN12 8HW

Job Description:

Cottage Farms Ltd is a leading operation in Kent specialising in the grading / ripening / packing & supply of fruit to major retailers in the UK.

We are looking to recruit a Production Operations Leader to join our team.

The successful candidate will be able to lead a team to deliver the production plan in the most efficient way whilst adhering to our high-quality standards and following our 'first time right' approach whilst managing business KPI's related to people / process / product.

Experience in people development and management and the ability to identify opportunities to increase production efficiencies and implement positive changes are key requirement for this position.

This is an excellent opportunity for an experienced professional to take on a leadership role in a forward-thinking business.

Responsibilities:

- Manage and lead the company's Health & Safety and Food safety standards
- Correct utilisation and management of labour to deliver the production plan.
- Develop & maintain an engaged team.
- Carry out colleague reviews and performance management
- Deliver company briefs in line with management requests and support.
- Ensure all documentation is accurately produced and audit ready in line with both internal / external procedures and standards.
- Manage team to business defined KPI's including quality / safety / efficiencies.
- Undertake, when necessary, investigations.
- Analyse production data to identify areas for improvement.

Job Type: Full-time

Shift pattern: Working hours 8am to 8pm, 4 on 4 off shifts.

Hours per shift: 10 - 12 hours - Normal working day across the year is 10 hours, however given the nature of produce 12-hour shifts will be required at certain times across the year.

Benefits:

- Company pension
- Free, on-site parking
- Refer a Friend scheme

Work Location: In person
